

Withem is not going to be here, but I would hope that attendance wouldn't make the difference here and if we could wait until the end of Final Reading, we'd have all parties who intend to vote here and available. Thank you.

SENATOR CROSBY: No objections? So ordered. We'll go on to LB 22.

CLERK: (Read LB 22 on Final Reading.)

SENATOR CROSBY: All provisions of law having been complied with, the question is, shall LB 22 pass? All in favor vote aye, opposed no. Record, Mr. Clerk.

CLERK: (Read record vote. See page 687 of the Legislative Journal.) 38 ayes, 0 nays, 8 present and not voting, 3 excused and not voting.

SENATOR CROSBY: LB 22 passes. Before we go on to the next bill, I would like the Legislature to welcome some guests that we have today in the north balcony, 48 members of Financial Women International from all over the State of Nebraska, and Chris Bathel (phonetic), their state president, is with them. Will you please welcome these women who are with us today. Thank you. LB 48.

CLERK: Madam President, I have a motion on the desk. Senator Schimek would move to return the bill for a specific amendment. (FA30 appears on page 688 of the Legislative Journal.)

SENATOR CROSBY: Senator Schimek.

SENATOR SCHIMEK: Yes, Madam President, members of the body, I'm asking if you will attach the emergency clause to this bill. This, if you will recall, is the bill that just simply increases the authority for cash funds to be kept on hand at the different state parks from \$5,000 to \$10,000 and it wasn't controversial at all in the first couple of readings. And it would make imminent good sense to put the emergency clause on because then it could go into effect this summer instead of the following summer, so that's it. I just ask for your support to return this.

SENATOR CROSBY: For discussion on returning to Select File on LB 48. Senator Chambers.
